On "Latest trends and innovations in material, manufacturing, design, brand and promotion"

Chief Guest
Shri Rajeev Singh Thakur, IAS
Additional Secretary- DPIIT

DPIIT-INVEST INDIA- ECGC- CLRI-FDDI
CLE- CIFI- IFCOMA- LSSC

About Workshop:

This workshop is being conducted to bring out the gaps between the training institutes, R&D, and the latest trends and requirements of the footwear industry.

The workshop seek participation from all industrialists and organizations helping the footwear industry including Invest India, ECGC, CLRI, CLE, CIFI, IFCOMA, LSSC. This shall help FDDI to steer in setting up the growth path for the footwear industry. FDDI being the PIUs involved in the implementation of various govt. schemes to strengthen the footwear industry, the meeting shall provide input on setting up pace for the industry.

You are requested to show your presence for it's success and involve maximum participation of footwear industry in manufacturing and marketing.

This workshop shall include discussions on material development, manufacturing processes, and marketing for footwear. It shall emphasis on the design process and branding development of component and machine manufacturing ecosystems within India.

The proposed event will unfold in the following sequence.
